## **DETAILED ACTION**

### ***Drawings***

The changes to the drawings as indicated in respective replacement sheets for figures 4-9 have been approved by the examiner. Formal drawings are required incorporating the approved changes.

Approved replacement sheets are enclosed with the Office Action.

## **EXAMINER'S AMENDMENT**

The examiner attempted in vain to contact the attorney for the applicant, Mr. Winston Hsu by telephone (886 289 2373) and by internet (winstonhsu@naipo.com.tw).

The application has been amended as follows:

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

### ***To Specification***

In the amended specification, in paragraph 0013 and line 4 change "fig. 1" to --fig. 4--.

In the amended specification, in paragraph 0017 and line 6 change "72" to --82--.

### ***To Claims***

In claim 3 line 2, replace "dopedpolysilicon" to --doped polysilicon--.

In claim 12 line 38, replace "first" with --second--.

***Examiner's Statement Of Reasons For Allowance***

The following is an examiner's statement of reasons for allowance: The primary reason for the indication of the allowability of claims 1-20 is the inclusion therein, in combination as currently claimed, of the limitation of the method of fabricating contact holes on a semiconductor chip. In claims 1 and 12, the limitation includes using a single photo-mask to form a bit line opening in the array area and simultaneously forming a gate opening and substrate opening in the peripheral area. This limitation found in claims 1 and 12 is neither disclosed nor taught by the prior art of record alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Contact Information***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Belur V Keshavan whose telephone number is 571-272-1894. The examiner can normally be reached on 8-4:30 Monday to Friday.
